

COUNTY OF LOS ANGELES – DEPARTMENT OF MENTAL HEALTH

MENTAL HEALTH SERVICES

VACANCY ANNOUNCEMENT

Mental Health Counselor Registered Nurse

An innovative, ground-breaking Full Service Partnership, which works with both 0-5 aged children and Transitional Aged Youth, has an opening on its pioneering team, for a Mental Health Counselor Registered Nurse. This program builds strong parent-child connections, in the crucial early years of development, to help high risk families find a better start in life. The program is part of Roybal Family Mental Health Center, in the new, Spanish-style Centro Estrella building.

EXAMPLES OF DUTIES:

- 1) Provide dyadic interventions that include both therapy and education, in the home.
- 2) Play a vital role in a multidisciplinary team that uses a strengths-based, whatever it takes approach.
- 3) Coordinate linkage for healthcare needs.
- 4) Promote health education to clients, and provide leadership on issues of public health practices.
- 5) Interface with other community organizations, including schools, hospitals, DCFS and probation.

DESIRABLE QUALIFICATIONS

- 1) A tendency and willingness to be innovative.
- 2) Desire to escape the office and work in the community.
- 3) Excellent working relationships with other disciplines and agencies.
- 4) Familiarity with array of community resources.
- 5) Bilingual.
